

PHH Mortgage Ensures Secure Internet Single Sign-On For the Long-Term

PHH Mortgage

PHH

“After evaluating several alternatives, we found that Ping Identity’s product was a nice fit for our system’s architecture and their collaborative approach to assisting with product implementation was a strong fit for our own culture.”

Woody Priester
CISO & Vice President of Information Protection

Challenge

In order to appear as a seamless part of its clients’ mortgage services offerings, Internet single sign-on access to PHH Mortgage services had become a critical requirement. However, deploying Web-based secure SSO with its existing enterprise SSO system required timely coding and challenging upgrades to the Web SSO products across each of its client’s environments.

Solution – PingFederate

- Secure Internet SSO
- Quick/Easy to implement
- Viable over time (standards-based)
- Scalable – to easily support SSO for all customers

Results

- PHH’s clients’ users seamlessly access PHH Mortgage solutions through a single login at the client-branded Website.
- A secure Internet SSO solution that can easily scale to support any PHH client.

About PHH Corporation: Headquartered in Mount Laurel, New Jersey, PHH Corporation is a leading outsource provider of mortgage and vehicle fleet management services. For additional information about the company and its subsidiaries please visit our website at www.phh.com.
